

Can't Go Back

By Danny Schwarze

Can't go back
to the way we used to be
To the days when we were younger
footloose and fancy-free
Before our eyes were opened
back when we were asleep
Can't go back
to the way we used to be
Can't go back
to the way we used to be

Remember when
the hours felt like days
Time seemed to move slowly
we could let it tick away
We didn't have to squeeze so tightly
to try and make it stay
Remember when
the hours felt like days
Remember when
the hours felt like days

Now we're grown
and the weeks go flying by
It happened oh so suddenly
in the blinking of an eye
We can't seem to hold on to them
no matter how we try
Now we're grown
and the weeks go flying by
Now we're grown
and the weeks go flying by

Can't go back
to the way we used to be
Now that we've awoken
we can't go back to sleep
We'll keep on walking down the road
to see what we can see
Can't go back
to the way we used to be
Can't go back
to the way we used to be
